1. QUESTIONS/ANSWERS:

Question 1: I have a question for you in regards to the above bid. On page 5 of the bid packet there is a section that spec's out the units width. It says the unit should be 60" wide, but have a 48" deck. I am hoping this is a misprint. I just need to know if you would really like a 60" width or a 48" width? Please advise how to proceed.

Answer: The mower should have 60" cutting deck.
